Please review the attached WGNG report from 03/13/12 and respond.

Jason I am Outraged at the disregard for civil rights of the residents of Montrose and guests and especially the behavior of attorney Sean Granahan and Solicitor Marion O'Malley. They show utter contempt for the law and the citizens They represent and the language used is nothing short of libel and slander. I have retained council and will be demanding the resignations of Granahan, O'Malley and Lamont and the removal of Marion O'Malley as the assistant DA of Susquehanna County. Is this really the best We have to represent Us and the Law? I will also ask that anyone that agrees with Them that are included in the emails also resign for allowing this behavior to go unchecked.
